

Important Instructions for your Visit

Before your visit:

Please **read** the **Plain Language Statement** concerning the tests which will be conducted at the clinic visit and the **Consent form**.

Please try and **avoid** the following:

- (1) **Smoking** for **4 hours** before appointment time.
- (2) **Long Acting Reliever Medication*** for **12 hours** before your appointment time.
- (3) **Short Acting Reliever Medication*** for **4 hours** before appointment time.

*Refer to the last page for a medication list.

If you regularly use medication, please bring a list of those medications to your visit.

If you currently have any cold/flu symptoms, including fever, cough, sneezing, sore throat or runny nose, please reschedule your appointment or call 1800 110 711 to discuss.

If you need to cancel or reschedule your appointment, please call to let us know as soon as possible.

To contact us:

TAHS Line: 1800 110 711

Email: inq-tas@unimelb.edu.au

Where to come:

**Teal Outpatients, Adult Cystic Fibrosis Centre, Building 6
The Prince Charles Hospital
627 Rode Road, CHERMSIDE QLD 4032**

How to get there:

From the main entrance of the hospital, follow the line markings (red and black lines) that take you past the Emergency Department to Teal Outpatients, Adult Cystic Fibrosis Centre. It takes approximately 10 minutes to walk from the entrance.

There is also a patient transport vehicle that will collect you from the hospital main entrance and drop you off at Teal Outpatients. The transport leaves approximately every 15 minutes.

Alternatively, if you call 3139 4193 upon your arrival, we'll be able to assist you.

Parking

- Public car parking is available in the multi-storey car parks, accessed via Main Road off Rode Road.
- The multi-storey car parks are the only public car parking available on the hospital campus.
- All parking costs will be covered. Please ensure you receive a parking ticket from your clinic tester on the day.

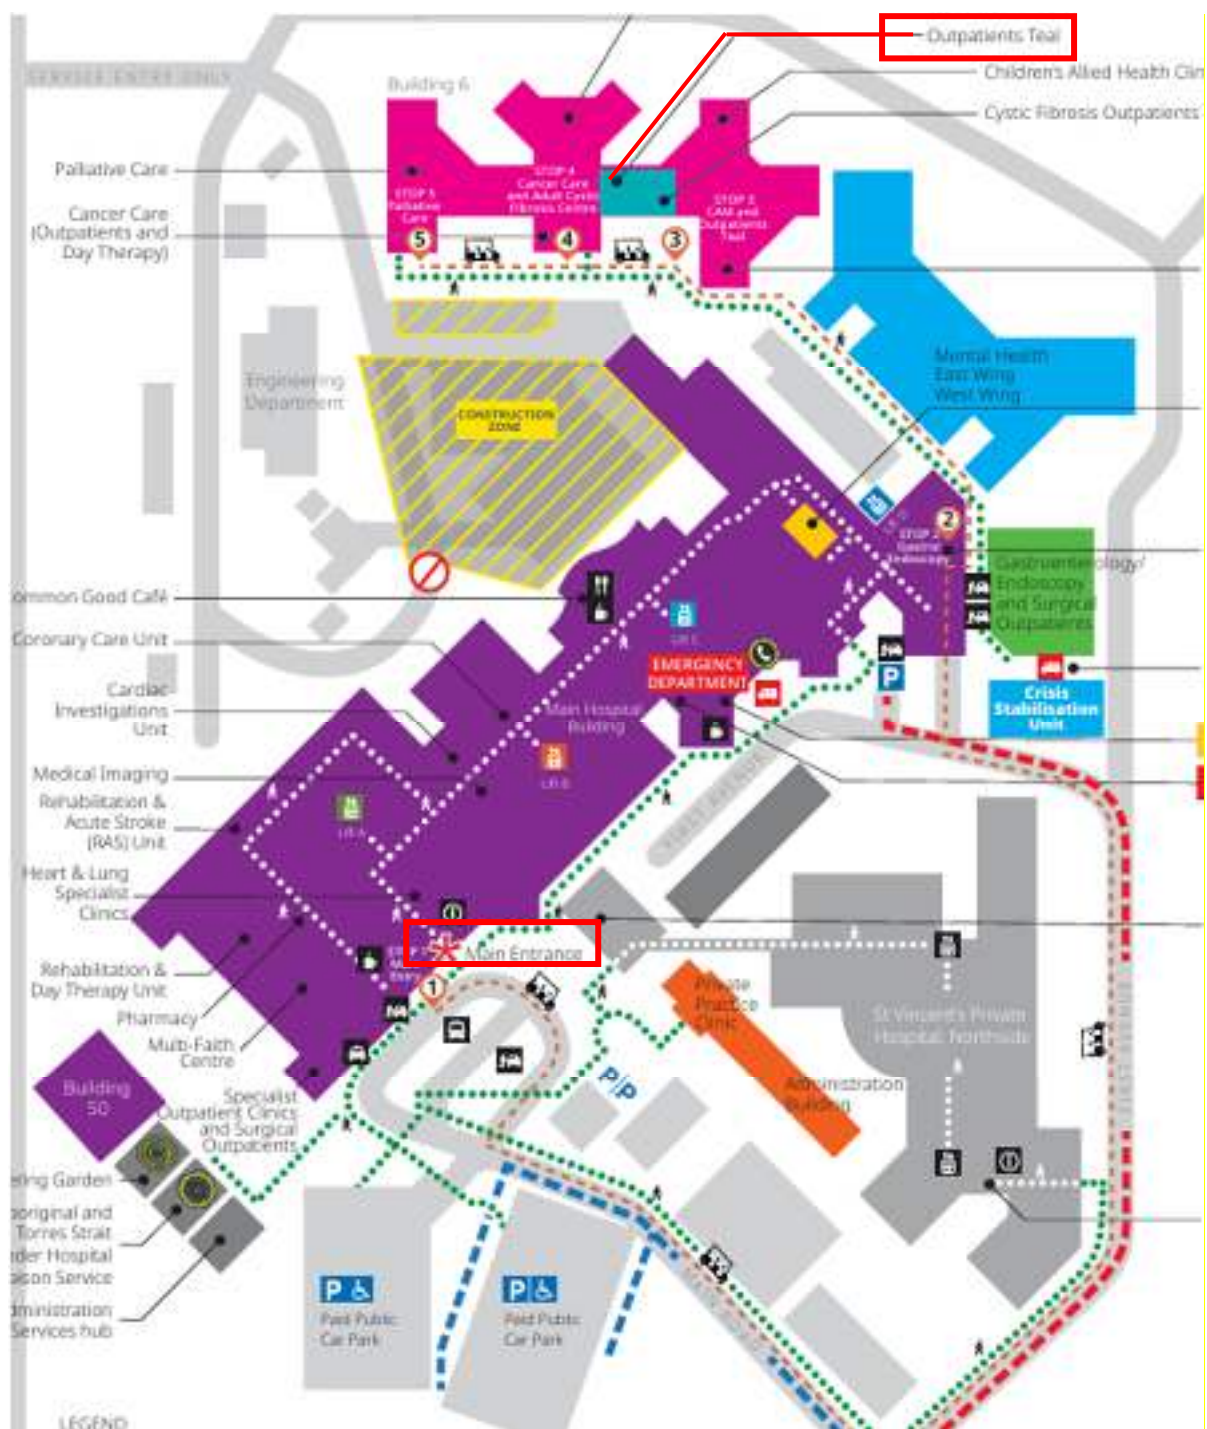

**Please be aware, parking is limited.
Please allow extra time to park before you visit.**

Public transport

Please check Translink for suitable public transport options. There are bus stops located near the hospital.

Drop-off zone

- There is a drop-off zone for taxis and Ubers. Please call 1800 110 711 to discuss.
